

ARIHANT : a combo of QUALITY+COMMITMENT+SUCCESS

Arihant Institute for C.A. was started in year 1998 at Ahmedabad with 50 students. Today the Arihant Institute is one of the most preferred institute for C.A. Coaching.

Arihant Institute is strategically located in Ahmedabad with its own premises spread over 20,000 sq.ft.. The institute is easily approachable for local and outside students as well. The institute is equipped with all the necessary facilities as education centre.

Spacious and air-conditioned classrooms create congenial ambience for studying. Management team, faculty and supports staff, all are dedicated to the objective of imparting the best education with "Knowledge Based" approach.

Classroom teaching is followed by tests and exams. Students are provided best possible support by way of discussions with faculty members for difficulties, back-up lectures, counseling and guidance.

Very competitive and comprehensive Data Bank of questions and necessary study material are prepared by faculty members. Assessment and exams are carried out with computerized evaluation system so that the results and feedback on performance of individual students are available in shortest possible time.

At present Arihant is serving approximate 3000+ students at different levels.

Chartered Accountant : Top salary zooms to Rs. 70 lakhs

6 Mar 2010, 2032 hrs IST, Bhargav Trivedi, ET Bureau

AHMEDABAD: Creating a record in its placement history, the Institute of Chartered Accountants of India (ICAI) has placed three of its candidates at a record salary of close to Rs 70 lakh with Singapore-based Olam International.

This is the highest ever salary offered to fresh CAs recruited from the ICAI campus. Earlier, a record salary of Rs 38.25 lakh was offered in 2007.

The three candidates who have been offered the record salary, almost double the earlier high, were picked by the agriculture supply chain major from ICAI's Chennai campus. Olam plans to hire around 8 candidates from ICAI.

ICAI started its first phase of placements on March 4. The first day itself saw 320 candidates being picked up. Companies which hired successful CAs on the first day include IOC, ITC, Tolaram, Vedant, S R Batliboy, Yes Bank, GE Capital, REC, L&T, Axis Bank, Morgan Stanley, HCL Technology and Deloitte.

"We are very happy with the offers we have seen on very first day of our campus recruitment. It suggests that now we are out of the global recession and recruiters are ready to offer right packages to right candidates," said Subodh Agrawal, chairman of the Committee for Members in Industry, ICAI, in a reaction to the

record offer. "It is a 100% rise from our earlier best," he added.

Leading private sector bank ICICI emerged as the biggest employer by hiring 100 candidates.

While Mumbai campus saw highest placements with 148 CAs getting offers, Delhi saw 65 offers. Kolkata, Chennai and Bangalore campuses saw 42, 22, 44 offers respectively.

While the salary offers in Mumbai were in the Rs 6.25-14 lakh, Delhi saw candidates picked up in the Rs 6-11 lakh salary range. The range was higher in Kolkata where offers were made between Rs 6 lakh and Rs 22. Tolaram, a Singapore-based diversified group offered the highest package of Rs 22 lakh in Kolkata.

When contacted by ET, Olam International confirmed the Rs 70-lakh offer. "Michael Joseph who handles global recruitments at the company said: "We are operating in a recession-free industry. So, there are really no limits now," he said. Olam which is growing at a 25% rate, is also one of the top recruiters at the IIMs. In the ongoing placement season at the IIMs, the company picked up 12 people from the IIM-A.

Benefits of Satellite Classes

- It is my city. I am comfortable here. I know all students. Our networking will help me in the long run when I become a CA.
- I attend the lectures from same/ better faculty at a center near to my house in my hometown.
- Centers are having multiple classrooms.
- My coaching fee is less as compared to Metro / Big cities.
- I am happy that leading faculty for all the subjects are available under one roof, I just need to do one registration. Schedules are predefined, with no clashing. I am able to conveniently do my Articleship along with my studies.
- Due to small batch size, my seat is reserved even if I am late.
- I have to pick up the cordless Mike or use chat system to ask query during the class.
- As the classroom is small with good audio quality, I can comfortably listen to the faculty.
- My center has very comfortable seating, ambient lighting.
- Fees includes cost of material, which is affordable.
- At home i am able to study and prepare better, which increase my chances of succeeding at exams. I am happy to be at Home, safe and secure. I save over Rs.60,000/- p.a. with ARIHANT - SLP. Money saved is money earned.
